Favorite Roses Coloring Book (Dover Nature Coloring Book)

Synopsis

Here's a beautiful floral archive featuring the "queen of flowers," waiting to be brought vividly to life in full color by flower lovers and coloring book enthusiasts everywhere. Expertly and accurately rendered by artist Ilil Arbel, the illustrations in this easily affordable volume depict 46 different varieties of the universally recognized symbol of perfection, elegance, romance, and love among them the York and Lancaster (Damask) rose, the stately Le Reine Victoria (Bourbon) rose and the double bloom, long-stemmed Cherry Vanilla (Grandiflora). Other examples include: Hybrid Tea Roses: Color Magic, Brandy, Peace, First Prize, Royal Highness, Double Delight, Garden Party, Tropicana, Mister Lincoln, Paradise Grandiflora: Sundowner, Love, Prominent, Arizona, John S. Armstrong, Pink Parfait Floribunda: First Edition, Europeana, Rose Parade, Bahia, Charisma Polyantha: Cecile Brunner, China Doll, The Fairy Climbers: Blaze, Golden Showers, America, Royal Sunset, New Dawn Miniatures: Gold Coin, Starina, Cinderella, Holy Toledo Historic Roses: Rosa foetida bicolor (Austrian Copper), Rose eglanteria (Sweet Briar Rose). Duchesse de Brabant (Old Tea), Great Maiden's Blush (Alba), Communis (Moss), Hermosa (China), Tuscany Superb (Gallica), Rosa Mundi (Gallica) Captions for these lovely royalty-free illustrations describe coloring, height, foliage, size of blossoms and fragrance, while a glossary of rose terminology is to be found at the end of the book.

Grade Level: 3 - 8

Customer Reviews

I love love love these coloring books! My favorite thing about these books is that are good enough to frame when you done with the picture!Colored pencils work best on these books!!Relaxing coloring book for adults!!! I'm a mom of 2 and at the end of the day this is my escape...Recommend to all adults ...men and women!Please let me know if my review helped you in your purchase !

When I received this book I was happy to find the roses were both large and detailed in these pages. What I also liked was that included on each page is a description and history on each Rose. As I person with an interest in all roses this feature appealed to me. I have since purchased this book to give to a family member. I would recommend this coloring book for anyone who enjoys roses.

This is a nice coloring book for both pleasure coloring or for ideas in other artwork. It contains 45 roses to color. Each rose it accompanied by a brief description of the flower. And the flowers are drawn in a variety of settings (i.e. in vases, on a trellis, or alone).

Made for anyone who loves roses as well as for anyone who loves to color. The pages are clear and concise with a write-up about each rose. It even tells you what color the rose is so you can color it true to life. While not a coloring book for a young child those of us who didn't outgrow the love of coloring will absolutely love this coloring book.

Roses are my favorite flower and I love them all. If it was left up to me I'd have a yard full front, side, and back! They come in so many beautiful colors, shapes, and sizes and they are all beautifully illustrated in this book. Coloring these lovely flowers to life is indeed the purest pleasure ever and gives me many hours of relaxation and calm contentment!! After coloring the pictures I love to look at them over and over because they give me so much joy and pleasure. Very, very talented artist! I will keep this book forever!

The pictures themselves are good but a little bit to childish. I would prefer softer more pencil sketch type. There could be a better variety of "poses" for me also. Maybe a full plant and a small in ground view.

Love this book of roses for coloring with good details. I am practicing shading with colored pencils. I did not make it 5 stars is because both sides of the page has a drawing, so I have to photocopy pages for practice. Good adult coloring book.

Roses, roses and more roses. Nice little bit of history, color and description with each picture. Disappointed that no lavender roses were included but nothing to keep you from choosing colors out of your garden regardless of the 'named' illustration colors. Cecil Bruner not accurate, portrayed as a tea instead of dense, open habit of polyantha blooms. Several old favorites included, many others I'm not familiar with, so will utilize 'poetic license' in color choices as noted above.
