Scholastic Discover More Reader Level 3: Volcanoes

Synopsis

A brand new reader program from Scholastic Discover More. The ability to read, understand, and interpret informational text will strongly predict success at school, college, and beyond. Scholastic Discover More Level 3 Readers prepare kids for their amazing journey into the world of information in print and on current and future digital platforms. Great subjects and amazing photos are delivered via provocative texts containing different points of view. Complex text hierarchies and infographics give kids the skills to tackle any real world information piece. 'Think about it' critical prompts encourages them to consider and challenge while technical vocabulary is expanded on spreads and in glossaries. A free, downloadable digital book features fun text-based questions and activities, and audio and video enhancements. Vetted by an editorial board including Common Core Standards experts.
