## Customer Reviews

Great, informative book but too advanced for my 7 year old to read on her own. I would say it should be a step 4 reader not 3 like it says.

I got it for my nephew, he love it.

The way the book is compose with multiple pictures and the glossary,it helps with the child to become a better reader.

This book is pretty interesting. At the end exactly on the last page it said that the Lincoln memorial statue is 16ft and 2 inches tall.It is O.K.
