My 9yr old daughter loved this book!

I'm a 12 year old archer as well and I started archery when I was 9. on every page I could find something relate to. it was a great book that featured good archer(y) sayings, and feelings- nervousness, excitement, reaching for your goals, and etc. it was a good book to read to really help think about my archery goals.

This is a fantastic book filled with real life stories of a young girl who tells of her succes. It's inspiring and powerful, and is a great book for all young girls to read. The illustrations are adorable, and helps bring the stories to life. I look forward to the next book. I highly recommend it!
