The Bunny is back! I love these books..erhm...I mean my kids love them. This is the 2nd book in what I very much hope will be a long series (please?). My 3 year old and 6 year old both love these books. Bunjitsu Bunny is about a girl (who just happens to be a bunny) and her friends who all practice a martial art called, of course, Bunjitsu. Equal parts adventure, zen philosophy and adorable illustrations, these books offer lighthearted wrapping for serious lessons that my kids love. Each chapter is a self contained adventure and 3 or 4 chapters make for perfect bedtime reading.

Love this book, and my daughter loves it even more. The girl bunny is a hard working, smart and all in all excellent role model. Awesome, relevant life lessons. Incredible book
