Product Dimensions: 6 x 0.3 x 9.1 inches
Shipping Weight: 6.4 ounces
Average Customer Review: 3.0 out of 5 stars Â· See all reviewsÂ· (1 customer review)

Customer Reviews

A lot has changed on the Internet in decade or so since this book was published. It describes the domain name system, SMTP email, Usenet, Telnet and FTP. No mention of the World Wide Web, which was just getting off the ground when this book was published. The book seems quaint now, though much of the information still applies. Read about “the” Internet worm, the Cuckoo’s egg and the online Coke machine!
