Customer Reviews

I read from this book often to my pre-schoolers. Yes, it takes effort to explain and question them until they understand the plot of each story. But they love them so much we repeat each tale many times, until at the end of the school year, they are telling Hershel stories to me! The kid's favorites? The Gooses's Foot (because they relate to Hershel being a small boy) and The Candlesticks (because they like the part where Hershel says the candlesticks died.) Though they are much younger than the recommended age for this book, I have found over the last few years that not a single 4 or five year old has not enjoyed these stories. And without the pictures in most children's books, they are forced to imagine what Hershel, Yente, Rabbi Iseral, and Uncle Zalman look like. We've had nothing but fun with this one!

This book is very entertaining! It is about a poor person who finds clever ways to get his basic needs met. This book is a good read for young readers like me!!!

Funny, charming, what can I say? Really love these. My two little ones get a kick out of these. The

description from SLJ doesn't do it justice. These are GREAT, hard to find anything that can compare. 4/30/2010 - Still love these. One of our favorites (probably mine) is Money From A Table. This is a slightly longer short story. So clever and FUNNY!!
