Bible Promises To Live By

Synopsis

This little book introduces you to God's greatest and most personal promises—over 750 promises from God covering 70 different topics. The topics show that God's care and concern extends to all people for all time, including you! God's promises are as ancient as they are current and fresh, which means they apply as much to your past and present as they do to your future. His promises are relevant not only in your most needy hour, but also in times of blessing and even in the routine of everyday life. Knowing God's promises will help you discover what God desires for your life and how to receive and enjoy all that God has in store for you!

This book is an excellent "Most-Have" in your arsenal and in your work! It has helped me and my co-worker a lot.

I credit this book for helping me to know God! I really wanted to know where to look in the Bible but didn't know where to start. This book was perfect for finding the right situation and finding God's comforting words and advice to help me in any situation. It reads easy and is a great pocket reference! I have read through many other similar books but "This one is my favorite!". Thank you to the authors for putting this together. I try to keep them on hand to give to those who will benefit from them!

So much going on right now in the world - and where does a Christian belong. Well, Christians need to stay in the written word as well as be in a personal relationship with Christ. What better than remembering all the promises contained in the written word for living out the wonderful presence of God through Christ and by His own Spirit.

Bible Promises to Live By is a wonderful little portion of the Bible. It is so easy to use on the subjects contained in the book. It is small enough to fit into my purse and pull out for encouragement in God's word.

I got this copy from South Carolina in a welcome packet and simply loved it and my daughter loved it as well and I had to get her a copy for reading enjoyment. Powerful little book, a lot to feed upon daily.

this is a nice compact "promise book" that can be used to reference Bible verses that address a certain topic. Very useful for Sunday School students.
