Listen To Her Voice: Women Of The Hebrew Bible

Synopsis

Eve, Sarah, Rachel, Delilah, Ruth-their names live on, but their ancient stories have long been obscured. In this sumptuously illustrated retelling of the lives of 18 women in the Hebrew Bible, we are reunited with Deborah, the warrior prophetess, Tamar, the sacred prostitute, Esther, the harem girl turned savior queen, and many other remarkable female figures. Author Miki Raver pairs each of these vibrant and daring tales with an eloquent meditation on their meaning for modern women. Beautiful reproductions of classic biblical art from such masters as Rubens, Blake, Brueghel, Raphael, Rembrandt, and Chagall illustrate these powerful women's dramatic stories. Including a foreword by Lynn Gottlieb, this rich marriage of art, literature, and spirituality offers substantive and entertaining reading, as well as a fresh entry into traditional faith. The perfect Chanukah or Bat Mitzvah present, *Listen to Her Voice* is a provocative book to treasure and share.

Book Information

Customer Reviews

This is an enlightening piece of work. I suggest it for everyone, especially young men and women entering adulthood. It makes a great Bar or Bat Mitzvah gift!!!

I have just finished using this book as the primary text for a Women's study. For eighteen plus women who met for six weeks and covered the first six chapters this was a wonderful text. Lots of discussion and excitement. Wonderful art! Miki Raver offers a new and refreshing look at the women from the OT we thought we knew. I also used Marsha Mirkin's book 'Women Who Danced

by the Sea' as an additional resource. For those who want to explore the role of women in the fulfillment of God's plan I would recommend these texts.

This is the most wonderful Book I have ever read. I wished I could have had a book like this in my 20's . Mothers, buy this for your daughters. Nothing I have ever read has given me so much. This is Book is a treasure.Pamela PattersonPort Arthur, Texas

For a woman who has rarely if ever entered the world of the Bible without being daunted by the emphasis on the masculine, this book is an exquisite exploration into the Bible's women, into their connection with contemporary women, validating at once their intelligence, their sexuality, their emotional passion ... ultimately, at least for me, their connection to the modern woman. A no holds barred look at women without being intimidated by the Book that holds their stories. And, is it not amusing, that the cover image of Rebecca looks almost exactly like Monica Lewinsky although the story that most resembles Monica's is actually Delilah's. A great Chanukah or Bat Mitzvah gift.

This is another great read., all about the women in the Old Testament., interesting to say the least., get it, loan it to a friend., when you are done., really an interesting read., PS" they sure didn't live like we do., so be thankful., blessings, paula

Miki Raver gently guides and encourages the reader to know of the lives of women who are as real in 1998 as they were in history. I could not put this book down and treasure it. I hope the author writes another one soon. It makes a fabuious gift.

An interesting book and one that you should read if you want to know more about the women of the bible. Most authors only write about the men. Like there were no women back then.. I wonder where all the men came from??? Quick delivery and very good condition.

Miki River gives voice to the voices we have never really heard before, although their names and circumstances are well known to us. Finally, the power and the glory of these utterly modern women resonate deeply and joyfully.
