I thought there would be more content in the book.

Slaughter rocks the "Sunday School Jesus" image and tests the reader to truly look at the priorities in one's life. Our Bible Study loved it!

Mike Slaughter did a great job of presenting the Message of Christ from the perspective of Jesus as the revolutionary. Our most recent Small Groups used it for this past season and enjoyed the videos, book, and talking points that were a result of the Study.

Great challenge to the participant. Revolutionary ideas, requiring thoughtful insight. Chapter 5 is particularly awesome. Also chapter six.

This was not written by Mike Slaughter and it is false advertising to claim it was. This is a study guide created by a well-meaning teacher who wanted to help people leading a class through the actual book (bought separately).
