I enjoy the classic hymns in this book such as "His eye is on the sparrow", "Turn your eyes upon Jesus", and "Wonderful grace of Jesus". I like that they are challenging, but not too difficult for me to play. Some of the songs have 3 sharps and often the song starts in first position and then goes into 3rd or 4th position. The play along cd is nice as well, playing each song twice, once with the violin and once with only accompaniment. The only thing I would say is that I don't think the hymns necessarily sound all that much like fiddle songs.

This booklet has ten songs - has a Demo Track and a "Play-Along Track" CD. Blessed Assurance,

Down at the Cross, and Wonderful Grace of Jesus has the notes going way up on the scale. I look forward to hearing these songs 'played-out'. The violinist is Michael Giacobassi. I went on a "Google" search to see if I could hear him playing one of these pieces but was unsuccessful. This "Fiddle Hymns" is a gift so I will have to "wait" to hear him play these songs.

Fiddle Hymns has some very nice aspects that will help me learn new methods of playing and give more control over my music which will give me a nice effect for church playing.

I love the arrangements in this book

I wish the Fiddle Hymnal had some more of the classic gospel country tunes. Hal Leonard needs to make another volume.

This is terrible! I thought it would be more update fiddling tunes but it is just ordinary hymns and the accompaniment CD is Terrible!

The songs don't have the melody that I remember with these songs. I was disappointed with the book.

Good song and CD. CD recorded with real Violin plays. Songs are easy for beginners.
