Customer Reviews

Excellent bite sized tidbits of history presented in an interesting format. Inside you will find a map of the Aztec empire, articles detailing every day life of the Aztec from agriculture, the Spanish invasion, war, the ball game, a guide to the ancient city of Tenochtitlan, a girl talk section, food and classifieds that provide an insight to the culture. What a great series! I purchased a copy as a gift for my 9 year old niece and was so impressed that I am purchasing the whole series for her! What a find! A clever and delightful way to introduce history to youngsters.
