A Year On The Farm (Casey And Friends)

Synopsis

Learn about Modern Farm Equipment with Casey & Friends! A Year on the Farm introduces children to the world of modern farming, showing the tractors, combines and other equipment needed to plant and harvest crops. The book is filled with photographs of equipment at work and a cast of illustrated characters including Casey the farmer and Tillus the worm, and a whole team of equipment characters. Casey and her farm equipment friends teach readers about the different jobs a farmer does each season. Children will learn that modern farming involves planning for the farm year, reacting to the weather and working hard as a team. Recommended for ages 4-8

Customer Reviews

Love this book. I bought three for my son and nephews for Christmas presents and I know they'll love them. I'm glad Case is finally gearing more items towards kids (future farmers). Love the illustrations!!

The writing style / presentation is well done, and information is accurate and relevant to current farming practices.

Great book, makes an excellent present! I gave it to a 5 year old, and he loved it. Great story,

information, and illustrations.

Great book! Lots to learn about farming.

Sent quickly. Like Cover. Disappointed in stylized pictures on the inside.

Great book for preschoolers!

Great book for kids

Actually truthful!
