Synopsis

A hapless dog frolics in the sun and sand on a perfect beach day. It's fun in the sand, but now there's sand in his lunch and sand in his suit. Time for a dip in the water! The dog splishes, splashes, and rides the waves; it's fun in the water too. As the sun goes down, he flies a kite with new friends. Fun in the sky! But did he remember sunscreen? David Catrow's zany illustrations make this dog's day in the sun anything but ordinary.

This book has such wonderful illustrations that it deserves special mention - they're playful and whimsical and humorous, for both child and adult readers. The story is a simple one about a fun day at the beach, but the accompanying drawings are what make this story pop. Definitely one to check out!

Adorable illustrations with so much to look at and discuss. A short, simple book but the illustrations make it really fun to read to children. My 4 and 6 year olds loved it.
