# Holy Bible, Keystone Giant Print Presentation Edition: King James Version

## Synopsis

It's great to have plenty of choices when a Bible that's easy on the eyes and the wallet is called for. All three of these editions feature 15.5-point type that is exceptionally crisp even under subdued lighting conditions. The Presentation Editions flexible, soft imitation leather binding makes it easy to hold and carry. The Deluxe Edition is a classic "preacher's Bible." Bound in buttery-soft genuine leather, it is the perfect gift for holding in one's hand while delivering a sermon or teaching from the Scriptures. This edition fits the bill as a special gift for the preacher, evangelist or Bible college graduate.

## Customer Reviews

It is a very, very huge and heavy bible. It's as heavy as my cat. Seriously. The pages are thin, but this is fantastic and the text is quite large.

This is a GIANT-print (15.5-pt.), beautifully printed edition of the King James Version of the Holy Bible. Such a pleasure to read! Large 8 1/2 x 11 book; text-only (no marginal notes); great font; words of Christ in RED; includes Dictionary/Concordance, colored Maps, "How the Bible Came to Us", "Why Read the Bible?", Daily Bible Readings, Presentation Page; available in Black or Burgundy; printed in the U.S. by National Publishing Company, the same company that for decades has printed the "Gideons Bibles" made available in hotel rooms. Also consider KJV Bibles published by the American Bible Society. [bibles dot com](http://bibles dot com)

My 15 yr old son chose this Bible for his Father for Fathers Day. Our hopes were not let down. It is an excellent buy. A quality leather cover with large print, Words of Christ in red. This Bible will last a very long time. Has some excellent features to it also. For example maps, concordance & dictionary.

I just got this large bible in the mail -- delivered on time. It's floppy and heavy. However, the print is wonderfully large, as advertised. For an old guy like myself this is a blessing. It's about the size of a piece of copy paper (8.5x11) so you won't be putting it in your pocket. While the pages are thin, they're not flimsy. I noticed a few maps of the holy land and the Mediterranean at the back, but no other illustrations. As long as this is a true King James version (some deviate) I'll be very happy.

I purchased this large print version on accident! But since my neighbor who goes to my church has really bad eyesight, I asked her if she would like it. She is so happy with it! She says the text is really perfect and large enough that she can see it without straining! This is the first time she has been able to read the Bible on her own in years. Usually she listens to it on audiobook or someone else reads it to her. This is the best accidental careless purchase I've ever made. She says to recommend it to anyone with poor eyesight who loves the Lord's word. (We both like King James version best too.)

I have seen this Bible or one just like it, a couple of times throughout the years. The large print really was an interest to me, at this stage of my life. But the real leather was also a deal sealer, because I use my Bible very often. I absolutely love it, it's perfect for me.

This is one of the best values I have seen for the Super Giant Print Bibles. It is a top-notch choice for the friend or loved-one who desires to read the Bible but has difficulty seeing smaller print. The print in this Bible is over 15 point, making it very easy to read.

I have been shopping on for years and I am totally disappointed with this purchase. While the Bible is indeed Giant Print, it is replete with misprints and missing scriptures for e.g. Psalms 55:17-22. Totally unacceptable for a Bible.
