This is the first time I have taught this as a Curriculum. I taught it to a group of aprox 45 people. The results where awesome. Everything Bill Johnson teaches is anointed. And this was no exception. Learning to think from Heaven's Perspective is vital in the Kingdom of God. BJ clearly understands the Kingdom mindset, and articulates it in a way that is easy to understand. SPTM is in my opinion is a Kingdom 101 teaching, which needs to be taught to all in the Body of Christ.

Powerful! Thought-provoking! Life-changing! Teaches how to think so that we can become the army of God that Scripture talks about. Challenges some ways of thinking. As I've walked out the ideas that I've been challenged on, I've seen more life and liberty come in my life and in the lives of people that I've been privileged to pray for/with. Prayer has become God encounters rather than a Christian pat on the back.

The scriptural information in this book WILL transform your mind if you allow it to sink in and become a part of you. The Word of God is sharper than a two-edged sword...dividing the soul (mind, will and emotions) from the spirit!

Tremendous delivery of revelation that will actually help you immediately obey the call to be transformed by the renewing of your mind; a verse so quoted yet so many seek how? This is how, whether you are an experienced minister or just came to know Jesus,

Great book on renewing our mind and aligning our thinking and application with the Scriptures!

I love love love love this book. Bill Johnson is great at explaining things and he illustrates so well in this book the way our minds should think. I love pretty much everything written by him.

Book is so awesome!!! it is a teaching book with lots of lessons about Christian life.
