Unmasking The Devil: Strategies To Defeat Eternity's Greatest Enemy

Synopsis

Satanist-Turned-Evangelist Gives You the Inside Strategy to Defeat the Devil's Plans! Many people, even Christians, deny the devil's power. John Ramirez doesn't have that luxury—he experienced the prince of darkness up close and personal. In the impoverished streets of the South Bronx, John Ramirez found acceptance from a family of witches and warlocks. These practitioners of dark arts trained him to be a high-ranking satanic priest—a story told in his first book, *Out of the Devil's Cauldron*. However, everything changed when he met the living Christ. In *Unmasking the Devil*, John Ramirez shares an insider view of how Satan operates so you can avoid his traps and learn how to: discern between the voice of God that directs to victory and Satan's voice that leads to destruction. Close the demonic doors Satan uses to enter your life: entertainment, unhealthy relationships, greed, and false religion. Activate the spiritual weapons of prayer, intercession, and Scripture to render Hell powerless over your life. Recognize how the spirits of Jezebel and Delilah attempt to infiltrate the church, create disunity, and render God's people powerless. No army goes into battle without first knowing the tactics of their enemy. Receive behind-the-scenes glimpses of Satan's strategies and equip yourself to live victoriously over the powers of darkness! "Spiritual warfare is a must for every Christian if they are going to survive in the coming years," says John Ramirez. "It's time to stop playing patty-cake with the devil and learn how to put Hell on notice."

I've been a Christian along time and I've been taught spiritual warfare since long ago, so I've been blessed in that sense. However, I have never heard first hand the life of someone who was on "the other side." I am grateful for someone who can expose the devil for who he is and give hope to those who have no hope. The culture of the author is revealed. He is a New Yorker and from the BRONCS [need I say more?!] That being said, the language and the tone can be offensive to some. Brother Ramirez admits that he is not an educated man and his words are not politically correct; he will not sugar coat the truth. I am witness to his teaching and I must say, I never met someone so transparent, humble, and willing to make public their personal life for the sake of saving the world as I have seen in him. See, he too is growing and God is not finished with him. He is our brother and we are to show love and lift him up. If there is correction to be made then make it in love and prayer.

We love you pastor John and we thank you for your passion to shout to the world your testimony. We come in agreement with your mission to win souls to Christ and teach our fellow brethren to not let Satan have us, our children, and those we love. We speak blessing on you and your anointing; that all go well we thee my brother. Continue strong in your purpose. Cant wait to get a copy of this!
