The boys are at it again: we get some back story on our favorite little Sadist Sato. And his parents must have been Archer and Mother. Yoshida is dealing with his own demons but seeing his fearlessness in the important things. A new love interest has appeared and is throwing his hat in the ring to woo Yoshida. The girls by the way, get meaner and funnier in every story.

I'm just so happy I bought all 8 vol. At once it's just I read all 8 and in one day and now I need more. OMG you should do a movie about it.

I seriously can't get enough of this story! I've read four of them in a day and a half, and I'm buying the next one soon!

HUGE yaoi /shounen ai fan, they're adorable and i can't wait till the next one in the series is finally out.

Another book in my daughter's current favorite manga series. She said it is awesome
