You Wouldn't Want To Sail On The Mayflower!: A Trip That Took Entirely Too Long

Synopsis

It is 1620, and you and your parents are about to emigrate from England and sail to the New World to avoid being persecuted for your religious beliefs. It will be a long and hazardous voyage, and not everyone will survive but you and your fellow Pilgrims will have a special place in the history of the United States. This new extended edition includes a map and a timeline, and a selection of exciting facts about the Pilgrims and their voyage.

Age Range: 8 - 11 years

Grade Level: 3 - 6

Customer Reviews

I teach third grade, and we shared this book during a read-aloud. My students really enjoyed the illustrations as well as the concise explanation of what happened during this period. After the read-aloud I put the book on display. They are still looking at it--and the read-aloud was two weeks ago!

I love this entire series--it is really fun. I wouldn't use it as stand-alone to teach history, but to complement history curriculum. Read it to younger kids (5 or older) or older kids can read on their own and it should hold their interest.

comical illustrations are supported by historical events. The whole series (we have most of them) are interesting for adults and children alike.

Excellent condition. This is a great book to use in the classroom. My students really enjoyed it while teaching Early American History.

Fun & interesting facts that I can't find in a textbook my, my students love to read these & laugh at the pictures!
