# "I Know The Plans" Two-tone Bible / Book Cover - Jeremiah 29:11 (Large)

## Customer Reviews

This cover is nicely made and looks better in person than the picture portrays. The contrasting colors are rich and a lovely compliment to one another.

Cover was not only beautiful and nicely made but also the sizes that it was said to be were accurate. I have had trouble in the past getting a good fit and was hesitant to order online again. Perfect fit. Not a lot of pockets but the zipper works really good and does not stick. Good sturdy handle. The scripture is beautiful and all around looks great. Delivery was also in a good time as I had ordered it last minute for a gift. Would also use seller again

This cover is durable and classy. Fits very well to my Charles Stanley Bible. Will surely prolong the life of the Bible. Thick enough to prevent tearing. Ergonomic handle make is easier to carry. The Jeremiah 29:11 is nicely engraved and gives hope each time you read it. My Mom loved the Bible and its cover so much that I gifted her and my sister the same Bible and the cover.

Bought it for a Christian girl I liked cause her Bible was falling apart and so I duct taped it and then put it in the case and now were in a relationship.... THANKS !So yeah the material and design is very nice for the price. I was more than happy with it. I reccomend the purchase to anyone who is looking for a nice case.

This is a very beautiful Bible cover and I just love it. It fits a Study Bible perfectly. The sleeves are long so it holds the Bible well. I will be enjoying this for a long time to come.

The cover is very nice for the price. A little too big for my Life Application Bible, but fits well with the big ESV Study bible. Will not be using the handle much. It seems it will not bear the weight of the bible if consantly used. But otherwise I am happy with this purchase.

My husband loves his bible cover book. protects the bible and has a spot for his pen, very inspirational saying on the front I might add.

I am very pleased with this case. It was time for an upgrade. I've had my eye on this case for awhile now and the scripture engraved is my foundation (Thank you Lord). I purchased the large and it holds my KJV large bible and "footprints prayer wirebound journal" (purchased on as well) plus a 2

pens and a highlighter. This is by far a quality product and at the price it turned out to be a really good value for me. I plan on purchasing some more in the future as gifts.
