# Illustrated Apocrypha: KJV

## Synopsis

Included in the Authorized Bible (King James Version) of 1611. The Council of Trent previously (1546) affirmed the canonicity of the books. The Protestant view (Geneva Bible 1560) asserted "The Books proceeding from Godly men" and therefore recommended reading. Traditional double column page layout. Illustrated in colour perhaps for the first time, this new edition of the Apocrypha will reach and inspire those less familiar with the writings.
