Customer Reviews

The quality of this book jacket is probably fine, but seems a little cheap... very "vinyl-y" and stiff. Very difficult to insert a study bible (dimensions 2" x 6.5" x 9") in jacket, which probably contributed to breaking the binding of the bible. The handles really make this jacket purse-like, which really didn't appeal to me and made it rather large. Women who would carry a shiny reptile-motif purse probably would have no objection to the look of this bible cover, but functionally, it was disappointing. I would not have purchased this had I been able to examine it first.

I am pleased with my purchase. It can easily be mistaken for a purse. One question I had before receiving it was. Is there a slot specifically for a pencil or pen? and was pleasantly surprised when I opened it to see that there were 2 pencil/pen slots. The picture makes it look as though the purse is black and grey, but it is true to its name and is Onyx Black. I would not recommend the XL size for someone who has a typical/normal size bible, it would simply slip around inside.

I get sooo many compliments when I carry this bible cover. People think that it is a purse at first. I love it. So far, I've had it about two months and it seems to be a really durable and quality product. I

am very happy that I chose to buy this cover.

Gorgeous! I only wish it has some pockets inside. It does have the pockets to put the front and back cover into to hold the book in place and 2 pens holders one in front and one in back.

I have had this bible cover for almost 6 months now and it still looks like new...I get complimented all the time about it...people think its a purse and are shocked when i open my bible...it fits my large print bible perfectly and has extra room for a pen and notepad...it is stylish and sturdy...would buy again

I absolutely love this cover! I got it for my Zondervan Large Print Life Application Study Bible.... Awesome fit! This is for woman... It's purse-like. So if you're wanting to get something masculine this one isn't for you. I am very happy with this purchase.

This is a great product. Fits my oversized large print bible perfectly!! I'd recommend it to anyone!! Very good value for the money! In fact, I ordered my mother-in-law one because she liked mine so much!

I have a Life Application Bible that is very heavy, I needed a Bible bag to carry my Bible with ease and comfort.
