# Zebra Print Purse-Style Bible / Book Cover W/Cross (Large)

## Customer Reviews

Love it so much, I ordered another one!! I have used this Bible cover for 3+ years. I attend church 3 times a week, so this cover gets some heavy use. Not to mention all the hours of at home use. I have a large print Bible and it fits inside with room to spare. I'm not going to list all the stuff I put in there, let's just say I NEVER carry a purse to church since I got this cover. Everything I need has a place inside the cover. The only problem I have had, and the reason for ordering a second one, is the straps below the buckles have broken and I've super glued them a few times and decided to stop gluing and order another. I have gotten my money's worth out of the first one!!

I only had the zebra case for a little over a week and the strap broke - nice design but material did not last

I just received the case yesterday. I'm already using it. It matches one of my purses. I have my parallel bible in the case. It works great and it's so bright and colorful. I LIKE IT, I LIKE IT ALOT!

I really enjoy my Bible Cover and it will get plenty of use. I have recommended it to my lady friends.

This was a gift to my Pastor's wife. She really likes it. She had one before and when it came time to replace it she was glad I was able to find another one. Thank you you made her happy.

Love this bible case, so many women at church have asked where I got this from. It really is so pretty, it's like having a purse and bible case all in one. Thank you so much. 1 happy customer.

Bought this for my daughter and she loves it. I bought her a new bible at the same time, she loves being able to carry it in a case with handles. Seems to be good quality so far.

My granddaughter loved this for the new Bible I gave her. It was great for a larger Bible. I hope she takes her Bible with her now and reads it more.
